ESTIMATED TAX FOR INDIVIDUALS

Maine Revenue Services
PO Box 1063
Augusta, Maine

INSTRUCTIONS

- 1. WHO MUST MAKE ESTIMATED TAX PAYMENTS.** In most cases, you must pay estimated tax if your estimated Maine income tax for the year, over and above tax withheld and allowable credits, exceeds \$1,000 and if your tax liability for the prior year was also more than \$1,000.
- 2. HOW TO CALCULATE YOUR ESTIMATED TAX.** Use the worksheet on the reverse side to calculate your estimated tax. Determine your estimated tax without taking into account the current year's investment tax credit.

You will also find information concerning the Maine Standard Deduction and the Tax Rate Schedules on the reverse side. The exemption amount, standard deduction amounts and tax rate schedules are those in effect under current law for tax years beginning in 2004.
- 3. WHEN AND WHERE TO MAKE PAYMENTS.** The first installment payment is due on April 15, 2004. You may either pay all of your estimated tax at that time or pay in four equal installments on April 15, 2004, June 15, 2004, September 15, 2004, and January 15, 2005. Send your payment with the appropriate voucher Form 1040ES-ME to the address printed on the voucher. If you overpaid your 2003 income tax and elected to apply the overpayment to your 2004 estimated tax, that overpayment may be partially or fully applied to any installment.
- 4. FARMERS AND FISHERMEN.** If at least 2/3 of your estimated adjusted gross income is from farming or fishing, your estimated tax may be paid in a single installment due on or before January 15, 2005. If you file your 2004 individual income tax return on or before March 1, 2005, and pay the total tax at that time, you need not make an estimated tax payment.
- 5. CHANGES IN INCOME.** Even though you are not required to pay estimated tax on April 15, your expected income may change so that you will be required to pay estimated tax later in the year. When the change becomes known and the estimated tax is calculated, payment may be made at one time on the next installment due date or it may be paid in equal installments on the remaining due dates. If your estimated tax liability decreases because of an income change, reduce the remaining installments.
- 6. UNDERPAYMENT PENALTY.** A penalty accrues automatically on underpayments of the required installment amount for the period of underpayment. The penalty does not apply if each required payment was made on time and if the total estimated tax paid is equal to 90% (66 2/3% for farmers and fishermen) of the income tax liability for the current year or 100% of the tax liability for the preceding year, if that year was a taxable year of 12 months.

NOTE: These instructions are intended for the majority of taxpayers who report on a calendar year basis. If you report on a fiscal year basis, the dates should be changed to correspond with your fiscal year.

You may download additional worksheets and vouchers from the Internet at www.maine.gov/revenue or call (207) 624-7894. If you need help completing the worksheet on the back, call (207) 626-8475.

To reduce the cost of processing your voucher, please file the original or downloaded estimated tax voucher with Maine Revenue Services. Make a copy of the voucher for your records.
